

DELPH-IN Summit 2026

VU Amsterdam Site Update

Luis Morgado da Costa

VU Amsterdam - General Updates

- Everyone is keeping very busy
 - Teaching load is increasing a fair bit ($4 + 2 \times 0.5$ in the upcoming year)
- New potentially interesting course: **Grammar of Academic English**
 - BA “Communication and Information Studies” – link to learner corpora (?)
- **Unlucky with funding**
 - We wrote a few grants that got rejected (incl. a 20M euro EU project that got full marks but was not funded)
- **Project on pronunciation quality/intelligibility** has picked up momentum
- Work on the **robot platform** is also picking up – we are hiring 2 post docs
- Interest on **Baby/Small language models using DELPH-IN grammars** continues

VU Amsterdam - General Updates

Global Wordnet Conference 2027

Vrije Universiteit Amsterdam, Amsterdam (The Netherlands), February 1-4, 2027

Welcome to the website of the Global WordNet Conference 2027!

The [Global Wordnet Association](#) and the [Computational Linguistics and Text Mining Lab](#) from the [Vrije Universiteit \(VU\) Amsterdam](#) is looking forward to welcome you in Amsterdam for the 14th Global Wordnet Conference, in February 2027!

All relevant information about conference, its program and the venue will be shared on this website.

DELPH-IN Specific Updates

- Dan stayed a bit visiting after last year's summit
 - We working mainly adapting **FFTB for sense-enriched treebanking**
(Dan will talk more about it today)
- Updates on the **DELPH-IN Grammarium** (more about it later today)
- Reviving Zhong as **Mandarin Resource Grammar** (more about it tomorrow)
- Tomorrow I will also talk 5 mins about a plan to use the ERG for event-centric information extraction (SRL)

See you around!
